Il progetto Bath Lab è concepito per creare soluzioni personalizzate, utilizzando l'intera gamma di lastre in gres porcellanato a spessore 6 mm Made in Gardenia Orchidea. Le superfici disponibili, suddivise per ispirazione, consentono agli arredi di inserirsi in maniera perfettamente coordinata o di costruire piacevoli contrasti materici con i prodotti scelti per rivestire le pareti e i pavimenti del proprio bagno.

Per la corretta trasmissione degli ordini Bath Lab indicare sempre accanto all'articolo anche la superficie selezionata, facendo riferimento a questa tabella. The Bath Lab project is conceived to create personal solutions, using a whole range of porcelain slabs 6 mm thick Made in Gardenia Orchidea.

The available surfaces, divided by material inspiration, allow the furniture items to perfectly integrate themselves in a coordinated way or to design pleasant contrasts of looks with the products selected to cover bathroom walls and floors.

In order to correctly submit Bath Lab orders always specify, beside the product name, the selected surface, referring to this table.

* Superficie non utilizzabile per piatto doccia.
Surface not suitable for shower tray.

** I prodotti effetto legno possono essere utilizzati, nel formato 20x120 a spessore 8,5 mm, unicamente per la produzione di top porta oggetti, porta lavabo e piatti doccia.
Wood-effect products can only be utilized, in the 20x120 size 8,5 mm thick, for the production of vanity top, washbasin top and shower tray.
